Overnight parking not permitted in CA parking lots Vehicles will be towed

The Columbia Association (CA) would like to inform residents that overnight parking is not permitted in any CA-owned parking area, including Community Centers and fitness and recreation facilities. Vehicles that are parked in CA lots overnight may be plowed in or will be towed at the owner's expense.

In the aftermath of the weekend snowstorm, CA's snow emergency personnel have done a tremendous job clearing roads, parking lots and sidewalks. With the possibility of another snowstorm over the next several days, CA wants to ensure that all parking areas will remain clear for facilities to remain open and for residents to arrive safely.

Please visit www.ColumbiaAssociation.org or call CA's Inclement Weather Hotline at 410-715-3154 for the latest weather-related cancellations, postponements or schedule changes at all CA facilities.
