## **Private and Group Ice Rentals**

Looking for a unique place to have a party?  
Look no further than the Columbia Ice Rink.  
We offer you a chance to reward your employees  
or your customers by hosting a party in our facility  
either by **renting private ice** or using the  
**Group Discount at Public Sessions.**  
We offer fun and affordable outings for all groups,  
business, churches, youth groups, schools,  
and families.

### **Private Ice Rental**

- **Rate** (\$285/hr)

Renting the ice is the first step for booking your party. When you arrive at the rink, the Zamboni ice re-surfacer will be making new ice for the best skate possible. With each hour of ice time, you have the option of another ice resurface break, at no additional charge.

- **Skate Rental** (\$2 per person)

From child size 6 to adult size 14, we've got the skates for you; or bring your own skates.

- **Skate Guard** (\$15/hr)

Your safety is always our top priority. Ensure your safety with an ice skating guard. Our guard will monitor the ice, making sure that your group is having a fun and safe experience. In case of emergency, the guard will be there to aid the situation.

*\*A guard is required for group of 50 people or more.*

- **DJ and Lighting** (\$60/hr)

Our DJ will play whatever music you enjoy, while taking requests on the spot.

If you want to play games, do the limbo, or do the Chicken Dance, the DJ will make it happen.

### **Group Discount at Public Session** (Not available November through February)

- Minimum 15 paid guests
- \$7 admission per person
- \$2 skate rental per person
