chaperone overview

The Columbia Association International Exchange Program is accepting applications for volunteer chaperones for its summer 2010 High School Student Exchange with Columbia's sister cities, Cergy-Pontoise (near Paris) in France and Tres Cantos (near Madrid) in Spain.

The CA High School Student Exchange is a reciprocal home-stay exchange of linguistic and cultural immersion. The exchange takes place between the last weeks of June and the end of July; the exact dates are set in the spring. Participating Howard County students spend approximately two weeks in Cergy-Pontoise or Tres Cantos hosted by local students and their families, and reciprocate by hosting those students for another two weeks.

This exchange program offers participants the opportunity to practice their French/Spanish language skills, visit France/Spain, experience French/Spanish life and culture first hand, and share and rediscover the U.S.A. and American culture with the French/Spanish students.

One or two chaperones (depending on the number of students participating, normally a 1-10 ratio) accompany the Howard County students. Although there is no monetary compensation for chaperones of this exchange, the Columbia Association pays for chaperone airline tickets and covers the cost of all field trips and organized activities. Lodging and most meals while abroad are provided by the French or Spanish chaperones.

Chaperones travel to and from the sister city with the group providing supervision, enforcing program rules, solving any problems that may arise and ensuring that the group maintains a high standard of behavior as representatives of Columbia, Howard County, and the United States.

As it is for the students, this is meant to be a cultural exchange. Therefore, the Chaperones stay in the homes offered by the Sister City and reciprocate by hosting the sister city chaperones during their stay in the U.S.

Requirements for High School Student Exchange chaperones are: to be a responsible adult over the age of 21; be proficient in French or Spanish (as applicable); be available during the entire length of the exchange (chaperones cannot work during the exchange); be able to fulfill the duties of the chaperone as stated in the Chaperone Program Agreement and the Program Rules; host the French/Spanish chaperones when they come to the U.S. and; have experience as a chaperone of high school teens and enjoy working with them.

If you are interested in being a chaperone for the summer 2010 exchange, please complete, sign and submit the enclosed Chaperone Application Packet by March 5, 2010.

If you have any questions please do not hesitate to contact Laura Smit, Program Manager of Columbia Association's International Exchange and Multicultural Programs at 410-715-3162 or by email at laura.smit@columbiaassociation.com.

Specific responsibilities of the high school exchange chaperone include, but are not limited to:

1. Attending, supervising the student participants, and participating in all program-organized group activities abroad and in the U.S.
 - Pre-travel group activities may include: student and parent orientation sessions, social activities such as picnics and bowling, and dinners with the other chaperones and sister cities staff.
