

Teen Advisory Committee Meeting
June 19, 2015
The BARN
Minutes

In attendance: Kevin B., Andrew Z., Safire W.
Teleconference

Middle School Takeover:

Event was managed well. Partnership with Celebration Church's Youth group was a bonus!

Slam Dunk Contest Update:

Fliers are in. There's no real commitment that folks are interested. It's the end of the year and students are planning for the summer.

Kevin B. has solicited several stores to help assist with door prizes for the event. It may be in the best interest of the event to postpone Dunk Contest until further notice so we may have more time to plan. Revisit game plan later. Ms Safire will let Mrs. Rene know and make a definite decision to alert the CA communications of this change.

Pool Parties:

- Both Middle and High School Parties must be in July, not the August we requested due to lack of lifeguards on duty in August.
- Both parties will be held at Locust Pool in Long Reach. Next year we'll seek out a new pool to host the parties.
- Kevin will develop shopping list of prizes for the pool party raffles.
- Ms. Safire will confirm dates for both parties and will submit marketing material for both parties.
- Students must register prior to event, no sign up at door. High School advisory members will assist with both Middle and High School event (set up, host, breakdown).
- Types of contest/activities for both events: Fastest swim contest, diving contest, raffle, DJ, Security, 50 student limit for each event.

End of the year celebration? TBD, Kevin will send out an email to committee to learn what we want to do.
