Notes:

Due to District error, the 5.0+M need to play at Districts after all since only one team can advance. Howard and MCTA now must play at Districts. Since the teams were originally informed they were advancing directly to Sectionals, the players made other plans for the District weekend. The Howard team is not able to field a lineup and has withdrawn. The spot was offered to our 2nd place team who is, 3 days before Districts, not able to field a team either. Howard will not be represented at the District championship at the 5.0+M level.
