Dear Jim:

I have just returned from as pleasant a morning as I have ever spent. River Hill Farm is certainly a magnificent preserve.

We had excellent shooting, with good company, on a beautiful fall morning. I am most appreciative and extend my sincere thanks.

If your office will let me know the time, I will be more than happy to attend the Governor's briefing on your project on November 5.

Thanking you again and extending all best wishes, I am

Sincerely yours,

P.S. Since dictating the above, your letter of October 16 has come to my attention. We will have a chance to talk about the Patent Office on the 5th and at anytime thereafter convenient to you. Again thanks and best wishes.
