7:10 - 7:45p 7:45p	Old Business: • ADA Access – Sheri/Dan	<p>Sheri came to speak about accommodations and why she ruled the way she did in regards to Alan. Alan has also agreed to share when lanes begin to triple up.</p> <p>At the meeting it was asked if we could try to have him use the wall lane.</p> <p>Ann's Notes: 1. ADA accommodations for pool usage will only be permitted during non-busy days of the week and non-busy times of the day. 2. ADA accommodated users will utilize the wall lane only. 3. An ADA accommodated swimmer will wait for a space to open in the wall lane with the following exception: the swimmer(s) in the wall lane can be asked to move to another lap lane if only a single swimmer is in the other lap lane. Swimmers already present can't be forced to triple to give an ADA accommodated swimmer sole possession of wall lap lane. 4. The wall lane with an ADA accommodated swimmer will be the last to double or triple, but it is expected the wall lane would double if the other lanes doubled, and triple if the other lanes tripled.</p> <p>For the ADA accommodated swimmer at the Columbia Gym pool the above rules would apply. His accommodation is valid only on Tuesdays and Thursdays between noon and 2 PM and only in the pool's wall lane.</p>
