Dear Ed:

I am planning a trip to England, the Scandinavian countries, and northern Europe in August and early September. This will be my first trip to Europe, and I am looking forward particularly to seeing and studying the "New Town" developments. It would be very helpful to me if you would point out places or people which you feel are particularly useful to visit. I would also be grateful for any advice you may be able to give me as to how I can make such a trip most effective.

Many thanks for any help you can give - best regards.

Sincerely,

James W. Rouse
