What is a Do It Yourself party?

Do It Yourself (DIY) parties allow you the freedom and flexibility to create your celebration the way you want it! Bring your own food, beverages, cake and decorations! Parties include reserved tables for two hours and activity for up to 20 participants. Non-participating guests are free. Each additional child is \$7.50. You are responsible for setup, cleanup and all paper products. We provide a trash bag for your convenience.

What days and times can I have a party?

Generally, our parties are held on Friday nights, Saturdays and Sundays. With advance requests, we may be able to have a party during the week (on a day when Howard County public schools are scheduled to be closed).

How do I reserve a date?

Once you have confirmed availability, please return the Party Agreement and make payment on our secured site.

How many children may attend?

The basic party package includes 10 children (including birthday child). Each additional child is \$10, with most venues having a max of 25 children. Most parties are structured as a “drop-off party” (one adult for each child age 4 and younger is permitted). Exceptions do apply.

What if I invite fewer than 10 children?

Party packages are priced by activity and time, not attendees. The price includes up to 10 participants.

What if I want to invite more children?

More children are allowed at a rate of \$10 per child, as long as space allows.

What if I want to have additional food? What can I bring?

You may order additional pizza, drinks and cake. You are also allowed to supplement the pizza with other food items. No glass products, no alcohol and no food warmers, please.

Will other members or guests be there?

Only the KidSpace parties have exclusive use of the area. All of the other parties may/will have members and guests present.

Do you decorate? What decorations can I bring?

We do not decorate, other than colorful paper products. You are allowed to bring mylar balloons (due to allergies, no latex balloons are allowed) and tabletop decorations, but no confetti or decorations to hang on the wall.

What themes do you offer on the cake?

Our bakery, Oh What a Cake, can scan a 2D image of anything off the internet, or you can send us a .jpeg image and we can forward it. If you have any special requests, you can work directly with the bakery. Some requests could have additional charges. They can make cakes with substitutions (for allergies), except for eggs.

What is the cost?

Costs vary depending on membership status, activity, length of party, and if a vendor is used. Please inquire for specific pricing for your choice of activity.

What if I want more time?

Most parties can be extended by 30 minutes, at a rate of \$50. Roller skating and ice skating cannot be extended, as the parties are held during their open skate sessions.

Will I be contacted again before my party?

You will receive an email the Monday before the party to get final details and an estimated RSVP list.

Are there any other additional charges?

You may incur additional charges if you request more food or drink, another attendant, additional guests or additional time.

Do you offer goodie bags?

No, but you are more than welcome to bring your own.

Can I celebrate more than one child's birthday?

Yes! We have a Twin Power Family Upgrade party. It includes two regular cakes — one ¼ sheet cake (7x11) for each birthday child — 20 slices of pizza and 20 juice boxes, two party experts (who set up, clean up and entertain kids), and admission for 20 kids (birthday children included).

Can I request a specific party expert?

Yes. Sometimes they may not be available, but we will do our best with your request.

How early may I arrive to set up?

Generally, we take care of the setup, so there is no need to arrive any earlier than 5-10 minutes before the scheduled party time. If you have special items you want on the table, you are more than welcome to drop them off at the party facility before the party to have them set up for you.
