

The pool at Haven on the Lake, and the healing environments, will be closed beginning Monday, December 10 with an anticipated reopening date of Monday, December 24 (weather dependent).

A new ADA-compliant staircase is being installed in the main pool, along with the annual cleaning and maintenance. Due to the construction team's access needs and the air being turned off for the construction, the cold plunge, steam room, crystal salt therapy room and sauna will also need to be closed during this time. Mind Body classes (with the exception of the aqua classes) will continue as normal. Haven on the Lake members can enjoy the new Columbia Athletic Club after their major renovations, plus Columbia Gym, Columbia Swim Center and Supreme Sports Club during this time. Haven Refresh members will also receive access at no charge to any mind body class at Haven on the Lake during the closure. Thank you for your patience as we make improvements.
