	Tennis Director's Report Maury Bozman Mike Perales	<ul style="list-style-type: none"> Block time renewal is going well. HG renovations have been rescheduled for the fall. 6 courts are now open at HG. Messaging is being created to inform members of the progress at HG in the form of an updated landing page, flyers, and signs. There is a to-do list for fixes at Wilde Lake courts that will be implemented soon. The OB lights are going up soon and will be upgraded lighting with new LED lights. The AC will be resurfaced the first three weeks of August. An XGlosive Glow in the Dark event is planned on August 14 which is a fun, family tennis event under glowing lights. There will be two one hour sessions. In the Fall there will be a High Intensity Tennis Training class. Junior Tennis Team was a big success. It ran for 10 weeks at Wilde Lake and was a family affair with lunch, tennis, DJs, and timed matches. 	
	USTA League Report Janet Molleur	<ul style="list-style-type: none"> The Adult 18 and Over league has completed and all teams have been certified for Regionals within the deadline despite the rain. Combo registration has begun. Play will begin the first week of August. New system for rescheduling of rainouts is still working well and the facility staff is very helpful and proactive. Overall numbers of players are up from 2018. In Mid August registration will begin for the CA Fall Mixed league. Millenials are reaching out looking for tennis teams. 	
	New Business Nancy McCord	<ul style="list-style-type: none"> Nancy reported on the CA Board meeting and reported that they will be hearing from all the advisory committees soon.
