American Camp Association Accreditation and Certification
Columbia Association (CA) offers summer camps that are certified and regulated by the DHMH and fully accredited by the ACA. The ACA insignia is equated with professional quality, and only camps that have met these high standards are awarded the insignia. Professional camp, supervisory and administrative staff consist of schoolteachers and other professionals who are experienced in working with children. Camp counselors are high school graduates and college students. All staff are required to attend extensive pre-camp training and submit to a criminal background check.
CAMPER TO STAFF RATIO
CA camps operate group activities while maintaining staff to camper ratios in accordance with Maryland Department of Health and Mental Hygiene (DHMH) and American Camp Association (ACA) standards: pre-K 1:6; elementary and middle school 1:10; high school 1:10. While CA endeavors to provide as much specialized attention as needed to accommodate children with special needs, we are unable to provide 1:1 care or individual companions. Please see Access to Nature Camp (page 2) for information on our inclusion camp or call 410-715-3168 to discuss special needs.

Campers should bring a swimsuit and towel; a healthy, nonperishable lunch; and a refillable water bottle. See camp descriptions for additional information.

Registration processing fee, $50
Nonrefundable, one-time, seasonal registration fee per camper. Registration fees are not subject to reduced-rate discounts. Registration fees cover the overhead cost, which includes staff training and requirements such as fingerprinting and background checks.
Late payment fee, $25 Camp balances must be paid in full by June 8 or a $25 late fee will be assessed on all past-due accounts. If full payment is not received or you do not make satisfactory payment arrangements, camp registration will be canceled and legal action may be commenced against you to collect the delinquent fees, plus interest, attorney’s fees and costs.*

Late pickup fee, $20 per 15 minute portion thereof
Late pickup fees will be assessed for picking up children after 4pm, or 6pm for extended care. If a child is not picked up from camp within 30 minutes of closing, the late fees will be doubled and the appropriate child welfare authorities may be contacted. Late pickup fees are assessed per child. Exceptions are not made for traffic, weather or for families with multiple children in camps.*

Returned check fee, $40 All returned checks are subject to a $40 fee; this fee must be paid by cash, credit/debit or money order only.*

Rejected electronic debit fee, $40 All declined credit/debit card transactions are subject to a $40 fee. If your card is rejected two or more times, you will be asked to submit another form of payment for future transactions.*

*These fees are not subject to reduced-rate discounts. Payment must be submitted within five business days of invoice date.

REFUNDS, WITHDRAWALS AND SWITCHING

Cancellations and changes require written notification to the CA Camps administrative office. These may be submitted via mail or by emailing Camps@ColumbiaAssociation.org. The Camps office will not accept phone cancellations for camps or extended care programs. Failure to participate in the program or to make payments does not constitute a withdrawal from the camps or extended care program, nor does it release the financial obligation. Staffing is based upon camp enrollment.

Refund policy
The $50 registration fee is nonrefundable, unless the entire camp is canceled by CA. Refunds are granted as follows:

Early withdrawals before June 5
Prior to June 5, refunds are granted for voluntary withdrawal from camp (less the $50 registration fee). All requests must be submitted in writing.

On or after June 8
Refunds are granted only if the camper is injured, moves out of Howard County or is required to attend mandatory summer school, causing them to miss camp. Written refund requests with supporting documentation (doctor’s note, notification of mandatory summer school, or change of address form stamped by the post office) must be received in the Camps office within one week of the injury, notification of move or summer school requirement.

Extended care
Withdrawal from the extended care program requires written notification. A full refund of extended care will be issued for requests received within 10 business days of the camp session beginning. Refunds will not be granted for extended care withdrawal requests received fewer than 10 business days prior to the camp session beginning.

Switching camps after June 8
Switching to a different camp is permitted if there is still space available.

EXTENDED CARE

Extended care is available at the camp or an off-site location for an additional fee. Extended care may be added until noon the Friday prior to the start of camp. After that, it will be considered Urgent Extended Care and will be charged at the Urgent Extended Care rates. Campers are offered a variety of activities that may include arts and crafts, music, games and sports. The morning (am) session begins at 7am. For off-site care, children are accepted until 8:15am, when they are transported to the camp site. The evening (pm) session ends at 6pm. Snacks are offered in both sessions. Extended care operates in conjunction with camp sessions. Failure to participate in the program or to make payments does not constitute a withdrawal from the extended care program, nor does it release the financial obligation.

Please note: Extended care and its costs cannot be split between sessions or prorated. Early Bird pricing is not applicable to extended care rates.

1 week: $65 (am), $70 (pm); 2 weeks $130 (am), $140 (pm)

Urgent Extended Care is available as follows:

Urgent Extended Care is available for an additional fee.

am care $15 per child; pm care $20 per child

Parents requiring morning urgent care should bring their camper to the extended care location and complete the appropriate form. For pm urgent care, parents must contact the Camps office no later than noon of the day that care is needed. Please do not bring payment to the extended care location; the credit card on file will be charged or you will be billed. Payment must be submitted within five business days of invoice date. Extended care fees are not subject to reduced rate.

Late pickup
Late pickup fees start being assessed at 4:01pm. Campers who are not picked up by 4:10pm will be taken to extended care. Parents will be expected to sign a late pickup form, acknowledging the time that they have
arrived. Appropriate late fees will be assessed. Exceptions are not made for traffic, weather, or for families with multiple children in camps. Late pickup fees are not subject to reduced-rate discounts (see section on Urgent Extended Care above). **GENERAL INFORMATION**

The following information applies to all camps. Please read individual camp descriptions carefully – camps may require different items to be brought on the first day.

- The grades listed for each camp are the grades the camper must be entering in fall 2020.
- Campers must be fully toilet-trained.
- Additional forms can be obtained at ColumbiaCamps.org
- Income-Qualified Programs are available for Columbia residents who live on or work full-time on property subject to CA’s annual charge and whose household income is within the CA guidelines (see page 15 for more information).

**CAMP HOURS**

All camps begin at 8:30am and end at 4pm. Campers may be dropped off no earlier than 8:15am. Campers dropped off prior to 8:15am who are not registered for am care will be charged the urgent extended care fee of $15 per day, per camper. Extended care hours are 7-8:30am and 4-6pm.

**Meet and greet**

**Schedule**

Campers will be given a complete schedule of camp activities on the first day of camp. Keep this schedule handy in case of questions or emergencies.

**Inclement weather**

Adjustments are made to the camp schedule on inclement weather days (storms, extremely hot or rainy days). Each camp has a separate schedule of events. If you have questions about these days, please speak with the camp director. Camp dropoff and pickup will always be from the campsite/extended care site regardless of the weather. All camp programs have inclement day activities planned and/or a facility available to escape the elements — campers should not hesitate to attend camp due to weather. Please have your camper dress appropriately for the outdoor conditions by wearing or bringing a raincoat on rainy days.

**Lost and found**

If during the camp season your camper loses anything, please check the lost and found box located at each campsite. After each session, items will then be moved to the CA Camps office. If your camper lost something during the camp season, please contact us as soon as possible. All items will be discarded at the end of the camp season.

**Personal items**

All personal items, including clothing, bathing suits, towels and lunches, should be labeled with the camper’s name. Campers should not bring toys, cell phones, electronics or other personal items to camp. CA is not responsible for toys or other personal items children bring to the program.

**What to wear**

- Campers must wear closed-toed shoes. It is suggested that campers wear loose-fitting, comfortable clothing and socks. Open-toed shoes, Crocs and flip-flops are not permitted.
- A hat and sunscreen are recommended for outdoor activities. Campers should apply a high UVA protection sunscreen before camp and bring extra sunscreen in a backpack or bag.
- Campers registered for camps that include swimming need to bring a bathing suit and towel.

**Lunches**

Campers should bring a healthy, energizing, nonperishable lunch each day. Keep in mind that camps do not provide refrigeration. We suggest thermal bags, small coolers or ice packs to help keep lunches cool. Please be sure to label your camper’s lunch. **Please note:** Since many campers have severe peanut allergies, we encourage all campers to bring only peanut-free products, and we do not permit campers to share food. Campers are encouraged to bring a full water bottle each day; water is available throughout the day for refills or campers who forget their water bottles.

**HEALTH AND SAFETY**

In all CA camps, health and safety is of the utmost importance. Each camp has at least two staff members certified in standard first aid and CPR. Emergency procedures are routinely reviewed to ensure the safety of campers.

**Camper swim assessment**

Camper swim assessments conducted by CA Aquatics staff will be done each session. Campers who miss this assessment will be required to be screened before being allowed into the pool. Camper assessments for recreational swimming and lessons will test for specific
skills (e.g. prone float, front crawl, backstroke, etc.) in order to place campers into the proper instructional group.

After completing their assessment screening, campers must remain within their skill-based areas (as designated by Aquatics staff) while in the pool. These areas will be marked/labeled and the Aquatics staff and Camps staff will work together in enforcing compliance with these regulations.

Campers who pass the swim assessment will be issued a green band and will be allowed to use all areas of the pool. Those who do not pass will be given a life vest and will be able to use the main pool. Life vests are optional for the wading pool.

**Special care**
It is our goal to ensure all campers have a successful and enjoyable experience at camp. We understand that some children may have medical or behavioral conditions that require additional attention. In order to provide a safe environment for children with special medical needs and a suitable environment for children who may require behavioral adaptations, it is imperative that parents disclose any special medical or behavioral needs (allergies, asthma, ADD/ADHD, etc.) of their camper on the registration form. The registration forms will be reviewed and the parent/guardian contacted if additional information is needed. It is unlikely that campers with asthma, ADD/ADHD, or allergies will be contacted since these are very common conditions. However, parents are always free to contact the camp staff prior to the beginning of camp to discuss any concerns they may have.

Parents should also complete a Special Care Form (obtained on page 11 or at ColumbiaCamps.org) and bring it to the camp director or counselor on the first day of camp. Our camp staff receives basic training in working with children who require special medical care or who may require some behavioral interventions. The information requested will assist the staff in best serving the camper by helping them understand the child’s situation and help them in making accommodations. While CA Camps endeavors to provide as much specialized attention as needed to accommodate children with special needs, CA is unable to provide 1:1 care or individual companions. Please see Access to Nature Camp (page 2) for more information about our inclusion camps or call 410-715-3168 to discuss any additional concerns with the Camps Manager.

**Behavior problems**
CA Camps staff members are trained in positive discipline techniques. Simple, realistic rules are established and reviewed continuously with the campers. Every effort is made to handle discipline problems in a positive manner. However, any camper who is consistently disruptive or who exhibits aggressive or abusive behavior (such as hitting, kicking, biting, spitting, throwing objects, etc.) may be suspended for up to three days. Bullying of any kind will not be tolerated. Continuation of such behavior, or behavior that is determined to be severely abusive or disruptive, at least three times, may result in permanent removal from camp. CA reserves the right to suspend and/or terminate participation by a camper in any CA camp for inappropriate or abusive behavior. No refunds, credits or adjustments are given for unused time.

**Illness**
According to DHMH regulations, children who show signs of a communicable disease cannot remain in our program. Staff will contact the parent/guardian should your child or children become ill during camp. If the parent/guardian cannot be reached, the emergency contact person listed on the camper’s registration form will be called. It is expected that children who are ill will be picked up within 45 minutes once contact is made. Refunds are not given for days missed due to routine childhood illnesses. See page 18 for the refund policy.

**Medication**
All medication (prescription and/or over-the-counter):
- Must be in the original container.
- Prescription medication must contain a prescription label.
- Must be picked up by the parent/guardian on the last day of each session, even if the camper will be attending the next session at the same site.
- Will only be administered in accordance with the instructions on the label.
- Must be accompanied by a Medication Order Form (obtained at ColumbiaCamps.org).
- Medication left at the camp/extended care site will be disposed of if not picked up within one week after the session ends.

PLEASE NOTE: Medication Order Form must be completed by a parent/guardian and signed by a physician. If medication is to be administered at both extended care and the camp, a form and separate containers of medication must be provided for each location. Photocopied forms are acceptable. Medication cannot be transported between extended care and camp.

**Immunization records**
Preschool-aged children and campers not enrolled in the Maryland Public School System for the 2020-2021 school year must submit a copy of their immunization records to the Camps office with his/her registration form.

**Signing campers in and out**
For safety purposes, children must be accompanied to the camp/extended care and signed in by a parent/guardian or authorized adult. Under no circumstance should a camper be permitted to enter the program alone. Please be prepared to stay a few minutes longer on the first day of each camp session to meet counselors and verify emergency information (doctor’s name and number, allergies, medications, etc.). When the authorized person arrives to pick up his/her camper, he/she must come into the program space and sign out the camper. Written permission is required before a child may be released to someone other than a parent, guardian or emergency contact. Parent/guardian or authorized adult will be required to show identification every day when picking up campers.
