COLUMBIA COUNCIL REPRESENTATIVE/CA BOARD CANDIDATE STATEMENTS

RICHARD (DICK) BOULTON

It has been my privilege to spend the past six years serving Dorsey's Search as your Columbia Association Board of Directors representative.

During that time, I have successfully fought to:

- Prevent increases in the Annual Charge.
- Reopen the Dorsey Hall and Running Brook swimming pools this summer.
- Build and refurbish our tot lots.
- Preserve the Fairway Hills golf course.
- Ensure our village gets its fair share of CA budget allocations.

• See that resident concerns are promptly addressed.

- Protect CA open space from encroachment.
- Promote a new, practical, and affordable plan for Symphony Woods.

Covid had a severe impact on CA, but years of experience and understanding of how CA works helped me with the difficult decisions that had to be made to save us from financial disaster.

The future now looks much brighter. I ask for your vote to provide the steady hand that will be needed to move forward.

MARLON BROWN

I've lived in Maryland my whole life, but Dorsey Search is where my heart is. I realize we needed to move to Columbia because our family was already spending so much time with the families that live and work here.

I am a Marine veteran, so I understand that rules must be followed, but the pandemic has uncovered unspoken and unjust rules. I am stepping up to change those rules.

I'm running for the Columbia Association Board in Dorsey Search because the current board does not represent the families that live here. They don't know what our experiences are. I want to bring that lived experience to the Board so I can represent families like mine in the community.

I want to ensure that Columbia continues to grow and foster that sense of community and rich diversity here that drove us to choose to I've here to being with.

HOW TO GET A BALLOT

Harper's Choice

Current two-year terms of office for three Harper's Choice Village Board seats expire on April 30, 2021. Three Board of Director nomination petitions were received from Debra Erica Warner, Arthur Brody, and Joel Hurewitz. Per the Harper's Choice Community Association bylaws, if the number of nominations is less than or equal to the number of vacant director positions, the qualified nominees shall be deemed to be elected by the members and the Board of Directors will appoint the nominees to the director positions. The terms of office for the three nominees will be May 1, 2021 through April 30, 2023. Here are the statements from this year's candidates, now soon to be your elected board members:

BOARD OF DIRECTOR CANDIDATES' STATEMENTS

ARTHUR BRODY

As an early resident of Harper's Choice and parent of a graduate of Harper's Choice schools, I have great appreciation for the values upon which Columbia was founded and am eager to help make Harper's Choice the vibrant, diverse, and caring community that makes it special. I have served on Columbia homeowners' boards, association boards, and professional leadership teams, and am confident that I can make significant contributions in key areas as:

- Enhancing the social connections among residents that may have been lost during the COVID-19 pandemic.
- Ensuring that the re-construction of the village center meets the unique needs of Harper's Choice residents.
- Solidifying CA's commitment to maintaining our recreational amenities including the pools, Athletic Club, tot lots, Sports Park, and pathways.

I am prepared to listen to resident needs and eager to be an advocate for changes to benefit the village of Harper's Choice. I ask for your support.

DEBRA ERICA WARNER

I love my Harper's Choice community and want to give back to its continued growth and quality of life it offers residents. I have

lived here since 2004 and have raised a child that attended K-12 schools and who has benefitted from its wholesome lifestyle. I worked as an Economist, as a budget analyst in the Federal and MD State governments; in program management and policy development. I want to work for you, to develop a relationship that will deliver on your expectations of continued great amenities, open spaces; safety; good stewardship of financial resources; maintaining a clean environment; keeping home standards; embracing cultural variety and developing more fun community and kid activities. With the stress of COVID-19; the economy; schools closing; mental health; we all look forward to better times and I commit to strengthening and ensuring you can enjoy the community you chose to live, work and embrace.

JOEL HUREWITZ

In my first term, I worked with Councilmember Deb Jung and the Heritage Green Townhouse Association to find a better location for the North Columbia Fire Station. With Councilmember Jung, I also addressed speeding concerns on Eliots Oak Road.

I advocated for Harper's Choice with CA and the County on issues including neighborhood centers, tot lots, pool openings, CA budgets, stream restoration, bike lane and e-scooter legislation, and safer pedestrian crossings on Harpers Farm and Eliots Oak Roads.

I also worked to improve HCCA procedures on meetings, minutes, and elections; in 2020, we held a virtual annual meeting successfully designed to allow the HCCA to comply with Maryland law when we failed to achieve a quorum. In a second term, I hope to update the Bylaws and the Village Center Community Plan. I have lived in Columbia since 2002 and Harper's Choice since 2008. Please contact me with questions joelhurewitz@gmail.com.

I hope I have earned your trust as I ask for another term.

Hickory Ridge

This year thirteen residents are seeking election/re-election to a one-year term on the Hickory Ridge Village Board or

the Columbia Council. There are five open seats for the Village Board, and one open seat for the Columbia Council Representative. Look for your ballot to arrive IN YOUR MAILBOX in early April. Ballots will be mailed to every home and apartment in Hickory Ridge with complete instructions for how to cast your vote. Hickory Ridge Community Association members will have three options for voting this year: online, by mail, or in-person on Election Day, Saturday, April 24, 2021 from 9am-12 at The Hawthorn Center, 6175 Sunny Spring. According to our legal documents, only one vote per household may be cast. The same applies for renters: one vote per lease. However, both the owner and tenant of a property may vote. CANDIDATE STATEMENTS – VILLAGE BOARD

JANSSEN EVELYN (Clemens Crossing)

My name is Janssen and I live in the Village of Hickory Ridge with my wonderful family. I am currently a Board member and it has been an honor to serve this community this past year. Please accept this as my candidate statement to continue to serve on the Board. I have thrown my hat into the ring to continue to serve on the Village Board for the following reasons: I have a history of board experience and, more importantly, community activism and engagement; I value and consider all perspectives whenever possible; I pledge to commit my experiences, perspectives, and varied professional skill sets to help the Village continue to be a critical part of the mosaic that makes up Columbia and work towards solutions that not only are reflective of the future of this community but consistent with Jim Rouse's founding principles. Thank you for your consideration.

WILLIAM INGLIS (Clary's Forest)

Hello Hickory Ridge Village Center manager. My name is BILL INGLIS, and I'm running for the board after a 20 year's residency in Clary's Forest. There are needs in the community and I want to be a voice for common sense policy and integrity in our local government. We all have an inherent desire within us to give back to our communities, and so long as my motives and integrity are clear and true,

you will have representation appropriate to the position. I invite any and all scrutiny into my background. You WILL receive the stewardship and oversight you deserve! As an adjunct professor at our local college with degrees in philosophy and economics; as well as a multi racial and multi ethnic familial background, I will bring a perspective of inclusivity as well as knowledge and efficiency. I'm asking for your help and your vote on April 24. Sincerely, William Inglis

FRED JOHNSTON (Clemens Crossing)

My name is Fred Johnston and I have been a Hickory Ridge resident for over 15 years. I am a current member of the Hickory Ridge Village Board. During the last year our village, like the rest of the country, has been dealing with the devastating pandemic and resultant economic distress as well as a divisive political environment. We all hope that the coming year will be one of reconnecting and healing. This rejuvenation begins at the local level and I believe that our village association can play a role in bringing our community back together so that we can reconnect with old friends and make new ones. It has been an honor to serve on the village board. If re-elected, I will continue to do all I can to ensure that our village not only survives the challenges but thrives in the years to come.

DEBRA MCPHERSON (Hawthorn)

A Columbia resident for 36 years, I've benefited from Rouse's dream. Raising my 3 children in our diverse, well-planned city, we've all thrived under Rouse's concept of strong communities built around village centers composed of connected shops and public gathering spaces. An experienced Howard County realtor (awarded Top Ten in my brokerage), I know "you don't know what you've got until its gone"—so I OPPOSE KIMCO'S PLAN to destroy our Center and install ginormous highrise apartments directly in front of Giant, while scattering disconnected stores to 7 separate, inconvenient locations. The resulting unattractive center will provide scarce parking and threatens transforming our beautiful city into another ill-planned Silver Spring with countless flat-topped highrises, more traffic, and parking nightmares! With your vote, I will OPPOSE KIMCO and preserve

Rouse's Columbia, repeatedly cited as the "happiest" and "safest" in America. Why destroy it? #SaveOurCenter

KRISTINE AMARI

(Clemens Crossing)

I've lived in Columbia for approximately 12 years. As a parent of a current kindergartner and second-grader and someone who welcomes frequent long visits from my parents and other family, I'm passionate about ensuring that Hickory Ridge is a wonderful place for all ages and people. I want to foster a sense of community here, as our neighbors are what make Columbia great. I've been discouraged by corporate interests overriding resident opinions on the village center redevelopment, and would like to refocus the discussion on what those who live in Hickory Ridge want. My top goal will be to listen to the input of village residents and try to bring their thoughts and ideas to the table—on all issues. I would be grateful for this opportunity to get to know more of my neighbors, hear about their concerns and priorities, and faithfully represent their general interests.

LISA DEAN

(Hawthorn)

A 28-year Hickory Ridge resident and former neighbor of Columbia's visionary founder Jim Rouse, I'm passionate about preserving his "Columbia Concept" of using smart planning to build strong communities, featuring the village shopping center as its heart and soul. While serving on the 2017 Board, I vigorously represented the almost 90% of Village survey respondents, and hundreds of testifying residents, all opposed to Kimco's highrise apartments. Using my experience as a real estate/land use attorney, I personally helped write the Board's original Community Response Statement firmly opposing Kimco's highrise. After I left the Board, Boardmembers held nonpublic meetings with Kimco, ignored residents' strong opposition, reversed position, and shockingly amended the CRS to say they "are willing to support" Kimco's plan! With your vote, I will faithfully represent you to OPPOSE KIMCO'S PLAN, and PRESERVE AND STEWARD ROUSE'S VISION for our Village's future. #SaveOurCenter

TRADD RITCHEY

(Clary's Forest)

John F. Kennedy, in his inaugural address, claimed that "the torch has been passed to a new generation of Americans". But, today that same generation maintains their grip on the torch of the Great American Experiment. The median age of the Columbia Association board is over 68, while the median age of the populace is 37. I believe those who represent the community should reflect the community, should feel what the people feel, and strive for that which the people strive. As a young father, husband, and prior-service Marine, commitment is etched into my being. I commit to making a better life for my family, for the families around us, for all the people of our great community, and most importantly, for our future generations. Let's restore Columbia's commitment to its community. It is time to pass the torch.

LAURA ALL

(Clemens Crossing)

My name is Laura All and I am interested in becoming a Village Board member. Being a resident of Hickory Village for over 4 years, it would be exciting to become part of the board, get to know more of the community, and help in any way I can. Being open minded, I would listen to the ideas and concerns of the residents and work to implement those topics. I would appreciate your vote to become one of your village board members, where I can support our community.

PAUL ARMSTRONG

(Clary's Forest)

My name is Paul Armstrong; I am excited to offer my candidacy for the Hickory Ridge Village Board. I have 26 years of previous residential association board experience. A two-time Hickory Ridge Village resident (1989-2005 and 2017 to Present), I've been honored to serve over 12 years as President of the Clary's Forest I Condominium Board of Directors and 13 years as President for the Riverchase Condominium Association (412 units) in Halethorpe, MD. In these roles, I worked tirelessly for resident advocacy, community relations and health and safety, each very rewarding experiences. On compliance issues, I rely strongly upon research and knowledge of bylaws, rules and supporting statutes, engaging with residents, as well as excellent communication/presentation

skills as keystones to success. I am now post-professional, totally 48 years in the military, private sector and federal civilian service. Recreationally, I organize music and motorcycle touring events.

GREGG SCHWIND

(Clary's Forest)

Gregg Schwind, 6123 Dry Leaf Path. I am looking forward to another year on the Hickory Ridge Village Board as Columbia and the Village (hopefully!) come out of the pandemic and resume normal operations. Chief among these operations are the programs and services we offer our residents. I have served on the Village Board for 6 years and the CA Board for another 9 years. My primary issues are improving the relationship between CA and the Villages; monitoring village center redevelopment; advocating for cyclist and pedestrian-friendly streets; and influencing development in the greater Columbia area that affects us. I ask for your vote on election day. Thank you.

JESSE HARVEY

(Clemens Crossing)

My name is Jesse L. Harvey. I reside at 10620 Quarterstaff Rd. as a homeowner. I have lived in the Hickory Ridge Village since 1990. As a thirty (30) year resident of the Hickory Ridge Village I am concerned and always engaged in the welfare and betterment of my community. I chose to live in this area with my wife and family because of the schools and peaceful surroundings in this neighborhood. My wife and I raised three kids here and I remain committed to making my neighborhood a better place for the next generation. Because of my commitment to the Hickory Ridge Village I am submitting my application to join the Hickory Ridge Village Board. I have spent the last fourteen years as a licensed commercial real estate agent in MD and DC.

SKYE ANDERSON

(Clary's Forest)

Hickory Ridge is home: I loved reading the LOG when I was deployed to Afghanistan. During my three years on the Board, I've tried to increase participation by residents of apartments, condos and townhouses especially, particularly in Clarys Forest where I've lived (and walked dogs) for 32 years, by engaging neighbors in conversation and handing out my Board business cards so you can easily contact me. I've served on every Village committee and attended all 15 Zoning Board

meetings and all but one village event. I will continue to seek your opinions and educate myself (and you) on the issues. More important than electing someone who thinks like you do is how that person makes a decision and what would change it. I strive to be approachable and to listen to all my neighbors: as a scientist, I believe I'm objective. Please exercise your right and responsibility to vote.

JESSAMINE DUVALL

(Clemens Crossing)

Last year was hard for everyone, including Columbia Association. As soon as I took office in May 2020, the board had to make some very tough decisions in order to keep CA afloat and keep members safe during the pandemic. CA entered 2021 bruised and leaner, having learned many lessons. Now, CA must hire a new President while continuing to operate effectively with a much smaller budget. I am eager to continue the challenging work of steering CA in the right direction—one focused on stewardship of your assessment dollars and value-added, accessible, inclusive programming that benefits all Columbia residents. I have 20 years of experience in nonprofit administration and have lived in and worked for several of Columbia's villages. I believe my presence on the CA Board is an asset to the organization, and I would be honored to serve another term.

VILLAGE BOARD CANDIDATES' STATEMENTS

THE FOLLOWING FIVE RESIDENTS ARE SEEKING ELECTION TO A TWO YEAR TERM ON THE KINGS CONTRIVANCE VILLAGE BOARD

4 Seats are Open

FRED NIZIOL

Hello, my name is Fred Niziol. I'm a
retired Federal employee. I moved to
KC in January 1983, and as owner and
resident in Kings Contrivance I've served
many terms on my own Homeowners
Association Board and as a member
of the KC Village Board. What I have
learned and practiced is that KC's success
is all about participation in Village

life by the residents. My ongoing goal
as a board member is to encourage
residents participation in the Village. I'd
appreciate your vote so I can continue
my service to our residents. Please think
about attending a Board or Resident
Architectural Committee meeting virtually
via Zoom (meetings are normally short
and interesting), and signing up for our
newsletter, "The Crown Prints", (at [http://
villageofkc.org/living-in-kc/crown-prints/](http://villageofkc.org/living-in-kc/crown-prints/)),
it's the best way to know what's happening
in the Village. Thank you.

JOHN WOODSON

As a member of the Kings Contrivance
Community for the last 27 years, My wife
and I have raised three children, who
played on KC playgrounds, wandered
through the paths of KC, played on Savage
and AYRA teams, attended KC schools,
went to Hammond High and swam for the
KC Waves. I feel it is my responsibility to
ensure that future KC families continue
to have the numerous advantages of our
neighborhoods and if possible even better
facilities and choices.

DEAN CHRISTMON

I am running to be a good steward of our
village resources, be of service to the
public, and continue making our village
a great place for families (which includes
establishing and broadening the great
paths that connect our communities)!
Thank you for the opportunity to serve.

BARBARA SEELY

Having lived in Kings Contrivance for the
past 37 years, I have seen many changes in
Kings Contrivance and Columbia.

This year has been the most challenging
for CA and the villages. Due to Covid
we had to shut our doors and with little
income have tried to provide services to
our community the best we were able.
We are all looking forward to better times
ahead when we can start to resume classes
and rentals and feel more like normal.
Throughout this pandemic our staff has
been amazing!

Kings Contrivance is still the best
village in Columbia, and if re-elected
I will continue to work to maintain
quality programs, a beautiful facility,
environmental sustainability and to serve
our village with integrity. It has been a
pleasure to serve, and I am asking for your
vote on Election Day.

Thank You

FERZANA HAVEWALA

My family and I chose Kings Contrivance
to be our home because we were attracted
to this vibrant community that holds
so much promise for the future. In my
professional life, as an Assistant Professor
at the University of Baltimore, I study
policy issues that impact urban life and
ways in which to level inequality to enable
vibrant and sustainable neighborhoods.
I ask for your vote so that I can harness
my professional and personal skills at
the most basic grassroots level to make a
difference in my home community. This
past year has especially taught us all the
value of living in a well-endowed and
safe community. I would like to serve
on the Kings Contrivance Village Board
to continue to cultivate a thriving and
vibrant community where every resident
can experience and revel in the promise of
Columbia.

COLUMBIA COUNCIL CANDIDATES' STATEMENTS

THE FOLLOWING TWO RESIDENTS ARE SEEKING ELECTION TO A TWO YEAR TERM AS COLUMBIA COUNCIL REPRESENTATIVE FOR KINGS CONTRIVANCE

1 Seat Open

SHARI ZARET

Our Columbia Association facilities, like so
many local businesses, have been affected
by COVID restrictions and closings. A
new online registration system is being
put in place this summer, and fifteen
neighborhood pools will be open every
day. As your Village Representative, and
resident of KC for over twenty-five years,
I am committed to our shared community
values of stewardship and fellowship. I
strongly support a Leadership Academy
outreach effort by CA, with clear annual
goals and objectives. The challenges we
face Post-COVID are to preserve and
protect our green spaces and pathways,
re-energize our village businesses
and gathering places, and revisit our
financial models and memberships. My
experience and knowledge in working
with budgets, evaluating facilities and
services, working cooperatively with CA
Staff, and monitoring the safety of our
neighborhoods, will help support our
village efforts to achieve a financially and
environmentally sustainable future. I
would appreciate your vote.

BRODERICK YOUNG

My family chose Columbia in part for the
inclusivity, environmental beauty, strong
sense of community and amenities that
we cherish. More so, we were drawn here
and have stayed because of Columbia's
foundational commitment to being a
community where all are represented,
respected, and given equal opportunity to
thrive. It is with these principles in mind
that I am running to represent the Village
of Kings Contrivance on the Columbia
Council. I am committed to applying these
values to every decision, to listening and
engaging with my neighbors so your voices
are heard and to innovating so Columbia
is a place where future generations will
be just as eager as we are to call this place
home. Whether creative use of our open
spaces, making sure outdoor pools are
open for all or creating a more financially
resilient CA, I would be honored to serve
this great community.

LONG REACH COMMUNITY ASSOCIATION 2021 VILLAGE ELECTION INFORMATION

VILLAGE BOARD CANDIDATES' STATEMENTS

(2 positions open)

NINA BASU

(Phelps Luck)

I have proudly served Long Reach as a
member of the village board, including as
Board chair. On the Board, I have worked
to make sure that LRCA serves
its residents.

In the next term, I will continue to
strongly advocate for investment and
redevelopment of the Long Reach Village
Center. While there are some minor
improvements, it is important that we
advocate for total redevelopment of the
center, as promised when the County
purchased the property. The community
deserves better.

I will also continue to advocate for
Long Reach priorities - such as the

*Long Reach

improvements to the stream north of Jackson Pond, updates to our tot lots, maintenance of our open space, and funding of our priorities as a community.

I have been honored to serve this community and hope you will allow me to continue to serve.

REGINALD T. AVERY *(Jeffers Hill)*

It has been my honor to serve on the Long Reach Village Board of Directors and once again, I respectfully ask for the privilege and opportunity to continue that service for another term. My passion lays in serving my community and at the same time identifying and solving the challenges the village faces. I have fought for improvements to the traffic patterns going in and out of our village. I will continue to keep our neighborhood pools open and modern. But primarily I continue to fight for the never-ending battle for a new Village Center by keeping the County centered on that purpose. I will continue to seek the opinion of the residents' and ways to bring new business opportunities to our community. I am a dedicated advocate for Long Reach and will continue to do so to make it a better place to live. Thank you for your vote.

COLUMBIA COUNCIL REPRESENTATIVE CANDIDATES' STATEMENTS

(1 position open)

JANET EVANS *(Locust Park)*

As CA representative, I will continue to advocate for Long Reach and support responsible decisions for Columbia residents. This includes alignment with the CA strategic goals, increasing transparency, and improving communication between CA and the villages. I would like to see increased engagement in the community at all levels and opportunities to celebrate our diversity. The unprecedented pandemic has required difficult decision making and the need to scrutinize spending to ensure the budget aligns with community priorities. This work is ongoing and with the hiring of a new CA president and CEO, continuity on the board will be critical as he/she settles in.

Finally, we still have far to go with village center revitalization, a disappointing position to be in after all this time. I will continue to push the County, as current owner of the village center, for an actual plan for the space.

ADAM HERSON *(Kendall Ridge)*

To the Long Reach Community Association and Board of Directors:

I, Adam Herson, hereby announce my candidacy for Columbia Association Council Representative for the Village of Long Reach.

I have been drawn to civic involvement and leadership for quite some time. When the opportunity was presented me to run for this position, I was excited to take part of the process.

My family and I have called Columbia home for almost ten years. The Columbia Association touches us all in one way, shape or form on a daily basis. The valuable experience I have gained serving as President of my neighborhood's homeowner's association will serve me well, as I help guide the Columbia Association into another 50 years of prosperity. I would consider it a privilege to work with the board of directors, Columbia leadership, and every citizen who is fortunate to call the city of Columbia home.

VOTING INFORMATION

Who Can Vote:

Owners and tenants of Columbia Association assessed property in Long Reach in good standing are entitled to vote. Only one vote per ownership or tenancy interest will be counted. Note: Tenants must have on file at Stonehouse a copy of their current lease.

How to Vote (three options):

Long Reach Community Association members will have three options for voting: online, by mail, or in person on election day. Ballot Priority: If multiple ballots are submitted for a single property, the first ballot received has priority.

- In person: Polls will be located in the lower level area of Stonehouse, 6110 Foreland Garth, on Saturday, April 24, 2021 from 9:30 am to 1:30 pm. VILLAGE BOARD CANDIDATES' STATEMENTS

Six candidates for seven seats

REBECCA BRYANT

I am honored to have been on the board the past couple years. My priorities remain the same: advocating for alternative transportation, the environment, and those in our community that most need a voice.

I'm working with CA and the open space committee, to improve our bicycle and pedestrian infrastructure, turning our focus this coming year to Steven Forest Rd.

I'm working on encouraging landscaping practices that benefit native plants, changing the association's requirements, and curtailing growing costs associated with our streams.

I'm working on communicating with CA about our needs and how they should be spending our resources.

JONATHAN EDELSON

It's my honor to serve as the Chairperson of the Village Board and to advocate for Oakland Mills residents and businesses. I will continue to advocate and lobby for investment in Oakland Mills, such as funding for achievement gap

programs in our schools, investment in our infrastructure, and recognition of the challenges and needs of our diverse community. I have experience working with officials at many levels, including Columbia Association, Howard County government, state government, and the school system. This is our hOMe, and I will continue to be a strong voice for all it has to offer can achieve!

LYNN-STEVEN ENGELKE

It's been a challenging year, but in many ways a rewarding one for the Oakland Mills community.

As current Architecture Chair of the Board, I'm dedicated to the continued vitality, attractiveness, and environmental health of our neighborhoods. Especially gratifying to me during this past year is seeing the many renovations, additions, and landscaping projects taking place. It's been my privilege to collaborate with our residents, Village Manager, covenant advisors, and Architecture Committee members to help our neighbors make their planned improvements a reality.

Let's continue joining together to keep the momentum going for positive change and pride in Oakland Mills!

BILL MCCORMACK JR.

My name is Rena Ross and I desire to serve on the Oakland Mills Village Board of Directors because I have skills and abilities to make this village a place to call home for many years to come, a village where all of its residents matter. I'm dedicated to helping all of Oakland Mills residents achieve the same opportunities regardless of being an apartment/condo renter or home/condo owner.

With the uncertainty of our world today I still believe we can achieve the sense of community and build relationships and see better tomorrows for all.

WARREN WORTMAN

I am a proud 35-year Oakland Mills resident. OM has great open spaces, paths, schools, pools, and community spirit. As a bicycle advocate, a safe, walkable, and bikeable community is a priority. As the OM Public Space Committee chair, I have:

- proposed a crosswalk connecting the Thunder Hill neighborhood to the businesses across Rte 108;
- requested ADA-compliant curbs at major crosswalks in OM; and
- organized bike lane cleanups in OM.

We can make Oakland Mills even better by ensuring the closed Talbott Springs pool reopens, finding a replacement for the Second Chance, and advocating for better school facilities.

COLUMBIA COUNCIL CANDIDATES' STATEMENTS

Two candidates for one seat.

RASHIDA GEORGE

In search of an inclusive, diverse, family-oriented, safe community with neighborhood schools and parent and community engagement, I chose Oakland Mills. This community is immensely special to my family and me. I want to ensure that current and future families have every opportunity to thrive here.

I stand for representation, renewal and respect. We have opportunities for Columbia to be reconnected to the values on which it was built.

I know there is more we can do to advocate for better community-enriching venues and for a more vibrant and abundant village that serves every member of our community.

VIRGINIA (GINNY) THOMAS

I seek your vote to continue fighting for you on the CA Board to accomplish these and other goals:

- Continue partnering with organizations to develop strategies that promote diversity and equity for all.
- Regain control of the 51 acres-Symphony Woods. Residents should have the final say on its development.
- Continue to fight for OMMS and OMHS school improvements.
- Make sure residents have a key role in the County's General Plan for Columbia in order to protect our villages and neighborhoods.
- Vote against increasing your CA assessment.
- Protect our open space and environment.
- Support CA's outdoor pools and school programs.

Owen Brown

WHEN: Uncontested – No Election.

WHO: There were three candidate petitions for the three open seats on the Village Board. All candidates will be appointed to a two-year term at the Annual Meeting on May 4, according to the Association's By-Laws.

Below are the statements of the candidates:

CANDIDATES FOR VILLAGE BOARD

ROBERT GOLIBERSUCH

I moved to Columbia in 1973 and am an Owen Brown resident of 44 years. Three generations of my family now reside here. We love Owen Brown, its people, and its amenities. My children prospered in the schools here, and I want to help make them better for my grandchildren. My wife and I make good use of county libraries and 50+ centers, but it is time for a great 50+ center here and I will continue to work for the planned, but delayed, East Columbia Center. The paths, tot lots, woods, streams,

and lakes in Columbia are great, but open space needs constant attention. I will continue to work with CA and Howard County to maintain and improve them. Finally, our board must remain the best village board in Columbia in financially supporting causes for school-aged and disadvantaged residents. Please support me so I can help you.

MAE BEALE

My family and I have resided in Owen, (OB) where I have been an active community member for over 40 years. I am looking forward to playing a formal and significant role in ensuring that OB remains a great place to live, work, and play. Serving on the village board would give me an opportunity to utilize my key assets, the ability to build and sustain relationships, serve the community, be the voice of residents in effort to safeguard the welfare of all. If elected, I will make certain that OB continues to promote a diverse and inclusive environment. I am a dedicated servant in Columbia that actively volunteers on numerous boards and organizations. Maintains a stellar record that demonstrates strong leadership and commitment. I am committed to serving within our thriving community. I strongly believe my time is now to serve you as we move onward and upward.

BRAD BUTLER

I'm proud of what the Owen Brown Community Association has accomplished in the two years since I joined the board. We've invested directly into the community by renovating the Cradlerock traffic circle and our community center, donating and planting hundreds of trees, and supporting local organizations including the OB Barracudas, One Month's Rent, "The 3rd" business incubator, and OMHS & LEMS booster organizations. Through a difficult year due to the pandemic, the Village maintained a strong financial position while continuing investment in the community. We've advocated for Owen Brown's interests at CA and Howard County, including supporting the East Columbia 50+ Center, provided input to the planning and zoning process including the county's General Plan Update, as well as supported green space, expanded and updated multi-use paths, and the HoCo Complete Streets Initiative. If re-elected, I look forward to continuing our Association's advocacy for and enhancement of our community.

VILLAGE BOARD CANDIDATES' STATEMENTS:

Three candidates for three seats.

ERIC M. GREENBERG

My wife and I moved into the neighborhood of Pointers Run three years ago. We have enjoyed the wonderful sense of the community that is instilled in the neighborhood and village. As a father of a toddler, I know how important the open space, tot lots, and pool are to River Hill. I am running to join the village board of directors with the goal of preserving and enhancing our village amenities so that they will be enjoyed for many years to come.

MATTHEW R. LEVINE

Matt Levine has lived in Pointers Run for about 14 years with his wife and two children. He has served as a River Hill Board member since December 2018. Matt is passionate about creating a strong sense of community. For many years, Matt has hosted village block parties complete with moon bounces and water slides and has organized a popular Food Truck event on Fridays during our current COVID crisis. By day, Mr. Levine owns and operates a software development company. He also has significant experience as a staffing director and manager for a large regional pool company. Mr. Levine's professional background in both finance and operations has been indispensable in managing the issues confronting our Village during COVID, both as an individual village HOA as well as part of CA.

DIPPER WETTSTEIN

I believe that each one of us has a role to play in protecting and growing the strength and vibrancy of our neighborhoods. As your representative on the Columbia Council, I will be a thoughtful and passionate advocate on behalf of our communities, while promoting more fiscally sustainable and inclusive solutions that better address the needs of River Hill residents.

Born and raised in Columbia, I've lived in River Hill for the last 18 years and have worked for the last 25 years as a realtor

with Cummings & Co, serving the Howard County area. Always eager to serve our community, I have participated in various boards and committees including as Chair and Vice Chair of the River Hill Village Board and CA Aquatics, founder and Chair of the River Hill Watershed Committee and Member of the River Hill Architectural Committee.

COLUMBIA COUNCIL REPRESENTATIVE CANDIDATE STATEMENT:

One candidate for one seat.

RENEÉ FREAL DUBOIS

It has been my pleasure to serve both on the Village of River Hill and Columbia Association Board of Directors over the past years. As a retired Certified Public Accountant with a Masters Degree in Finance, I have been influential during the last two years on the Columbia Association Board of Directors, advocating for the following amenities in River Hill:

- Reopen the River Hill Swimming Pool for leisure, lap swimming, and CNSL teams
- Renovation of the Meeting Room & Claret Hall
- Renovation of a playground on Indian Summer Drive
- Return of the Sister Cities Program

However, budgets are not about numbers, they are about values and there is much to do. Columbia must align its values to those of the community; opening all pools to residents at no cost, renovating neglected tot lots or playgrounds, and protection of its 56 acres in downtown Columbia from developers.

Town Center

The Town Center Board of Directors had four candidates for five open positions. The election was uncontested, so all four candidates were deemed elected for two-year terms per the Residential Community Association By-Laws. The Town Center Board of Directors welcomes to the Board Clara Pino. Please also welcome back to the Board: Joel Broida, Dean Dworkin, and Lynn Foehrkolb. New Board terms

start May 1, 2021 and run through April 30, 2023.

VILLAGE BOARD CANDIDATE STATEMENTS

JOEL BROIDA

My name is Joel Broida and I have been a resident of Columbia since 1971 and have lived in Town Center since 2005. Since moving to Town Center, I have had the privilege of being a member of the Village Board for more than four years and active in the community.

What is special about this time in Town Center is that we have had and continue to have a chance to express our ideas and talents in the ongoing Downtown redevelopment process.

Whether you know it or not, every one of us has the opportunity to help see to it that our wishes are known about such things as pedestrian safety, traffic, parking, transportation, housing, and even walking and biking as they are presented to the County, the Columbia Association, and right here in the Village.

We can do this together.

DEAN DWORKIN

This is my request to be re-elected to the Board. I feel that I have grown in the past two years to learn about the inner workings of the Village, along with Columbia itself. My purpose is to help make the community prepare for the future. This a great place to live and I look to somehow contribute by serving the community. My life experience helps me to offer solutions.

LYNN FOEHRKOLB

I have been most honored to have served on Town Center Board for the last 8 years, and as Chairperson for the last 2 years. During this time, I have continued to forge relationships in the community that benefit our Town Center residents. In the last year, even in the face of the COVID pandemic, Zoom has allowed me to meet and engage with members of our condo association boards to work on issues, continue to conduct monthly board meetings, attend Downtown Columbia Partnership meetings as a member of the Advisory Panel, be a contributing member of community stakeholders to the Inner Arbor Trust Concept Plan for Symphony Woods, and serve on a panel to search and select our new Village Manager. Although

the past year has been very quiet in terms of development and Columbians have face economic and health struggles, I will continue to stand for the issues that affect our residents as life begins to return to a sense of normalcy.

CLARA PINO

Last year more than ever, I constantly asked myself what can I do for others? How can I make an impact? Service is something I value greatly and is what drives me to run for the Village Board. I grew up in Howard County, I am a proud Columbia homeowner, and I work in Town Center (when not working remotely). I have nearly a decade of marketing and communications experience that I believe would be of immense value to the Columbia Town Center Community Association. I also spent several years working at nonprofits in Baltimore, and in my spare time, I volunteered with our neighborhood association, South Harbor Renaissance, by serving on the fundraising committee. I recently volunteered as a tutor through HCLS, and I dedicated a year of service through AmeriCorps. Above all else, I believe in service and sharing everything we have to offer to help our neighbors.

COLUMBIA COUNCIL CANDIDATE'S STATEMENTS

CHRISTINE (TINA) MARIE HORN

Faulkner Ridge

My family moved to Wilde Lake in 2005 because I've been in love with Jim Rouse's vision of a garden for growing people since I learned about it. Based on my volunteer work here, from Cub Scouts, to the PTAs, to anti-racist work through my faith community, and community organizing with People Acting Together in Howard (PATH), I think it is time for innovative leadership in the Columbia Association that will honor Jim Rouse's vision and bring it into the 21st century. CA can be a force for so much good for all of us together.

Please vote for me because if elected, I will:

- Help protect and enhance the built and natural environment in Wilde Lake.

- Work with CA to further develop safe spaces for youth to safely gather and grow.

- Assist community partners to support our residents, particularly our most vulnerable Wilde Lake residents.

WILLIAM L. SANTOS

Running Brook

As a long time Columbia Resident and community participant, I bring a unique set of skills and experience to be the best advocate for the residents of Wilde Lake and Columbia. I have served in leadership positions on many local organizations, to include the Wilde Lake Village Board, the Howard County Planning Board and the PTA's in Wilde Lake. I also Co-Manage the Wilde Lake Watercats Swim Team and have facilitated improving the swimming skills of more than 100 neighborhood children.

It seems that each election year, it is aid that CA is at a critical juncture. I think this year is exceptionally critical. We need to develop financial, environmental, and cultural resiliency. We need to provide affordable memberships and reimagine high quality facilities, programs and services. We must reinvest in Columbia neighborhood amenities and engage the people where they live. I humbly ask for your vote this year.

STEVEN MICHAEL CAMPBELL

Bryant Woods

I joined the Wilde Lake Village Board a year ago, and since then, I've been devoted to helping our village get through the pandemic and maintain a sense of community.

I'm asking for your vote to help me improve the present fiscal situation brought on by the pandemic, restore the services that CA residents know and love, and work to make Columbi thrive.

I have been a Wilde Lake Board member since April 2020 and a resident of Wilde Lake for the past five years. As a member of the Board, I've led the Neighborhood Representative Committee recruiting those who wish to lead and keep the neighborhoods connected to Wilde Lake Village and Columbia.

My corporate and project management background provides me the experience necessary to work on complex projects, attain common ground resolutions, and work with people who have diverse viewpoints. I'd appreciate your vote for CA Representative.
