

CA FY2023 Budget Process

In an effort to be more transparent about this important budget process, we want to make sure everyone understands the opportunities to engage with CA's Board of Directors. The Board is responsible for reviewing, refining and ultimately approving the budget for the upcoming fiscal year.

You're welcome to participate at any point throughout this process, including the Board meetings mentioned below. There are also new ways to get involved on a deeper level that are highlighted in this timeline. All of the meetings will be hosted virtually and recorded for easy access.

TIP: Details get more defined and the scope narrows as the Board moves through this process. The earlier you get involved, the more impact you can have on the final budget.
